General notes

Warnings: No hazards are to be expected, if the device is used correctly and in accordance with the instructions. Small parts and packaging materials can be swallowed by children and lead to choking! Make sure that small parts and packaging materials do not get into the hands of children. Dispose of the packaging material immediately.

Disclaimer

The manufacturer accepts no liability for damage or injury resulting from incorrect handling.

Operating instructions

- 1) Open: Insert the 3-digit combination and open the lock.
- 2) Fix now the object which has to be secured with the cable.
- 3) Lock: Insert the connecting piece of the cable into the lockcase and change the digital combination.

Attention: You will find the 3-digit combination on a label at the outside of the lockcase. The combination is fixed and not variable. Keep it in mind and remove the label.

Disposal

Help to protect the environment and dispose of the product and the packaging

materials in accordance with the local regulations.
